PAYMENT

\# No deposit is required before confirming any vechicle.

\# Full or partial payment is required within seven days of confirmation via telegraphic transfer (TT).

\# Original Documents will be released and sent via COURIER SERVICE once the balance
 is paid in full.

\# Customers can pay in US Dollars or Any other Currency.

\# Customer must pay remaining balance within seven days from shipment date (Count from the
 shipment date). Otherwise, TMT CORPORATION has right to re-sell without any notice and no
 claim will be accepted.

\# Price stated in the Proforma Invoice does not cover any Bank charges or additional charges
 payable to the Bank. Bank charges and any additional charges must be borne by the customer.

\# Customer must ensure that full amount stated in the proforma Invoice will be received by
 TMT CORPORATION.

SHIPPING

\# Shipping arrangments will be processed upon the receipt of the deposit.

\# Shipping cancellation is no accepted once vehicle/s passed Japanese Customs check.

\# Shipping duration is approximated. TMT CORPORATION is not liable for any delays caused by
 shipping issues, origin and destination port authority issues and other reasons beyond
 TMT CORPORATION control.

MISCELLANEOUS

\# Customers are expected to be aware of the import regulations and requirements before
 finalizing any transaction with TMT CORPORATION.

\# TMT CORPORATION does not provide services such as OIL and RADIATOR COOLANT refill.
 It is therefore recommended that once customers have received the vehicle/s at the port to
 check and refill if necessary, at their own expense.

TMT CORPORATION has established a framework for the prevention of anti-social transactions and
has been taking initiatives including the confirmation of anti-social affiliations of new business
partners and the incorporation of clauses for the elimination of anti-social forces in basic
procurement contracts and sales contracts.

SECURITY TRADE CONTROL

TMT CORPORATION shall comply with all applicable national and international laws, rules
and regulations in connection with contribution to the maintenance of international peace and
security, and anti-terrorism including all applicable export controls such as List Controls and
Catch-All Controls in the prevention of the development or manufacture against this hereby
prohibited.
